

Annual Calendar of Classic Hymns and Metrical Psalms – 2009
Learn the Psalms Format - Year 4

This is the final year in which we will follow the “Learn the Psalms” format. As was the case in 2008, we will sing the 52 best known and most beloved Psalms in the morning services. On Sunday nights we will add our final selection of 26 Psalms (list “D”) to add to the 26 learned in 2008, expanding our list to 104 psalms in regular use in our services. We will follow the same basic calendar of hymns as we have in previous years. Otherwise, the same principles are in play:

1. The opening hymn or Psalm should be a great, majestic song of praise
2. The most outstanding and beloved hymns of the church should be sung twice a year, once in the morning and once in the evening.
3. Some attention should be paid to seasonal themes including the high points of the church calendar (the “five evangelical feast days”).
4. Communion is administered once a month, quarterly in the morning (January, April, July, October), and in the evening the other eight months of the year.
5. A check list is provided for the most usable and recommended hymns. ✓ Checks indicate hymns already provided for in the calendar.

Those who have followed the “learn the Psalms” format, 2006-2009 will have learned a total of 104 Psalms by the end of this year.

Those who have decided instead to sing and read through the entire Psalter in 2008 may follow the calendars provided in 2003-2005, or those who wish to start with “Learn the Psalms” format may review calendars 2006-2008, which you can have upon request at our website: www.ipcsav.org.

Note: Hymn numbers are from the *Trinity Hymnal* (1990), Psalm selections from the *Trinity Psalter* (1994).
